IDENTITY

Ready Mixed Portland Cement Concrete

SECTION I

Manufacturers Name: City Concrete, Inc.

Emergency Telephone Number

Telephone Number For Information

(940) 766-3291

Address

1204 28th Street

Wichita Falls, Texas

Date Prepared

28-Dec-12

Signature of Preparer

Tim Foley

SECTION II

Hazardous Components

<table>
<thead>
<tr>
<th>Specific Chemical Identity</th>

SECTION III

Physical/Chemical Characteristics

Boiling Point: N/A

Specific Gravity (Water = 1): 2.70

Vapor Pressure (mm Hg): N/A

Melting Point: N/A

Evaporation Rate: N/A

Solubility in Water: N/A

Appearance and Odor:

PLASTIC: Greenish Gray in Color, Slight Ammonia Odor

HARDENED: Gray to White in Color, No Odor

SECTION IV

Fire and Explosion Hazard Data

Flash Point: N/A

Flammable Limits: N/A

LEL: N/A

UEL: N/A

SECTION V

Reactivity Data

Stability:

Unstable: Conditions to Avoid: N/A

Stable: X

Incompatibility (Materials to Avoid):

Contact with acids may produce a violent, exothermic reaction and may evolve toxic gases or vapors, depending on the acid involved.

Hazardous Decomposition or Byproducts:

When undisturbed it is an Inert material

SECTION VI

Health Hazard Data

Route of Entry:

Acute: See chronic---------->

Inhalation:

Unprotected Longterm exposure to dust created when sawing, breaking or grinding hardened concrete may cause Silicosis.

Skin:

May cause dry skin, irritation or alkali burns. Hypersensitive individuals may develop an allergic dermatitis.

Ingestion:

Ingestion of large amounts may cause intestinal distress.

Carcinogenicity:

NTP? No IARC Monographs? Yes, IARC 1087 OSHA Regulate? No

Signs and Symptoms of Exposure:

Plastic: Irritation or dryness of skin. Alkali burns or dermatitis.

Medical Conditions Generally Aggravated by Exposure:

Increased susceptibility to Tuberculosis and Silicosis.

Emergency and First-Aid Procedures:

EYES: Irrigate with water and consult a physician.

INHALATION: Recognize early symptoms of silicosis- Consult a physician.

SECTION VII

Precautions for Safe Handling and Use

Steps to be Taken in Case Material is Released or Spilled:

Allow to harden and dispose of as non hazardous solid waste.

Waste Disposal Method:

Non-Hazardous solid waste.

Precautions to be Taken in Handling and Storing:

None

Other Precautions:

Adequate skin protection.

SECTION VIII

Control Measures

Respiratory Precautions (Specify Type):

Use NIOSH or MSHA approved respirator for protection against Pneumoconiosis or Silicosis producing dust when breaking or cutting hardened concrete.

Ventilation:

Local Exhaust: As required to keep exposure in breathing zone below TLV and PEL.

Mechanical (General):

Other:

Protective Gloves:

Eye Protection:

Tight fitting eye protection in dusty areas.

Other Protective Clothing or Equipment:

Rubber boots to prevent skin irritation to the feet.

Work/Hygienic Practices:

Care should be taken to keep particles out of eyes and mouth.
